### DUES STRUCTURE

GWP dues cover the calendar year and are based on a member's grant payout. The dues for organizations that join later during the year are pro-rated. Dues are determined by a formula applied to the average of a three-year payout period.

- Funders in Allegheny County pay the calculated amount in full.
- Funders located in the Collar County Region pay 75% of the calculated dues amount.
- Funders located outside of the Ten County Region (Allegheny plus the nine collar counties) pay the basic membership level amount

### BACKGROUND INFORMATION

Please attach informational material on your foundation or organization, including a list of board members, an annual report, grant guidelines, history, or other information that will help us to understand and serve your organization's interests and mission.

When your membership is confirmed we will contact you to create your online member profile with additional information.
